SNV Netherlands Development Organisation is a non-profit international development organization. Founded in the Netherlands 50 years ago, we have built a long-term local presence in 39 of the poorest countries in Asia, Africa and Latin America. We believe that no one should live in poverty. We are dedicated to supporting a society in which all people, regardless of race, class or gender, have the freedom to seek their sustainable development. Our focus is to increase people's income and employment opportunities in productive sectors such as agriculture, as well as improve access to basic services such as energy, water, sanitation, and hygiene.

SNV is implementing the BRILHO Programme, funded by the Foreign, Commonwealth & Development Office (FCDO), with national coverage aimed on catalyzing the energy market in Mozambique for improved cooking solutions, Solar Home Systems and Green Mini Grids, to provide clean and affordable energy solutions for the population and off-grid businesses.

SNV is in the process of acquiring equipment and materials for the installation of Mini Grids (GMG) to support selected business initiatives, leveraging their capacity for innovation, investment and operation of Mini Grids.

SNV announces the extension of the deadline for submission of proposals for this call for tenders for a further 10 days, the new deadline for submission of tenders is 12:00 **p.m.** on 10 December 2021.

Interested parties must request the Terms of Reference via email mzprocurement@snv.org, referencing the contest. For more information about the BRILHO project, visit the www.BrilhoMoz.com.
